

Golf Lessons

Southern Meadows has golf lessons for all levels of golfer. Whether you are an absolute beginner, a scratch golfer who wants some help or anywhere in between, our resident PGA Professional can get you on the right track.

Mike Clawson is a PGA Member with over 20 Years of instructional experience successfully teaching all levels of golfer.

Don't get bogged down with computer print-outs and swing analysis comparisons to Tiger Woods' swing. Many teaching professionals rely heavily on these 'marketing gimmicks' to attract customers with high-tech solutions.

This works for about 2% of the population.

A good golf swing is rhythm, balance and technique; poetry in motion.

To achieve this there is no substitute for a keenly trained eye of a good teacher. Mike can detect swing flaws just by observation and come up with solutions that anyone can understand and perform. Why not take a golf lesson that will increase your enjoyment of the game of golf and decrease frustration.
