

Driving Range

We are now partnering with AccuRange! The App maps out all the targets on our driving range. It is a tremendous asset for short-game distance practice as well as your longer irons, hybrids, fairway woods and driver! Simply download the App to your cell phone and with one click **ACCURANGE** will know you're at Southern Meadows. →

Our full length Public Range is equipped with both grass and synthetic tee areas and has target greens at 50, 100, 150, 200, and 250 yards. Sculpting of the Fairway surrounding the greens is framed by rough and replicates what players might see on the course. There is a short par 3 hole playable from 95-105 yards. The Range also has a short game skills area with a large practice green and a practice sand bunker for golfers to work on the most important parts of their game. It is open during golf course hours throughout the year.

Range is open to everyone but **2024 Season Pass Range Memberships** are available for Individuals (\$275) and Club Members (\$200.).

We Love this Game

The PGA Jr. League program at Southern Meadows includes a **Course Junior Membership!** Great mentorship for young golfers from PGA Professionals.

For Juniors 13 and under, and also 17 and under. PGA Jr. League creates a recreational, inclusive environment for skill and character development.

PGA Family cup provides a welcoming atmosphere for the entire family to enjoy the game of golf. With **PGA Family Cup**, your family is your team.
